

**The name of the dress:** ORPHAN QUEEN

Bringing together this beauty holds a special meaning for us.

You are looking at an artwork where discarded and abandoned fabrics are reinterpreted and brought back to life.

Representing the most harmonious convergence of sustainable fashion with blue, we aimed to sketch a picture of how we can utilize our resources in a creative language and environmental sensitivity.

And from this ruin, a queen was born... ORPHAN QUEEN

**BY ALLDENIMS WITH THE COLLABORATION OF ISTANBUL TEXTILE AND RAW MATERIALS EXPORTERS ASSOCIATION**
